

2014 Greenways Trail Projects

Alum Creek Trail Completion - Groundbreaking late June

Easton Extension - City Council June 2 - Construction begins June 6

Ohio Dominican Extension - City Council July 14 - Construction begins July 18

22 miles of continuous trail - Westerville to Obetz/Three Creeks Park

COGO Bikeshare

Enlarge 3 stations June 2014 (Neil and Buttlers, High and 2nd, Schiller Park)

Growing system to 34 total stations Fall 2014 (Harrison West, Near East, Franklinton)

Collaborating with OSU, Grandview, and Bexley for 2015 expansion

Goodale Street Bike Improvements - Opens October 2014

Trail along Goodale Street with connector ramp to Olentangy Trail. Completes a connection providing access from Grandview and Harrison West directly with the Olentangy Trail and Downtown.

Columbus/Hilliard Connector - Opens June 2014

5th Avenue Trail and Bridge Improvements - Construction starts Spring 2015

Joint project with CRPD and Public Service

Extends Scioto Trail from Dublin Rd/5th Ave to McKinley Ave with a new bridge, sidewalk and shared use path. Connects over 3000 residents directly into the regional trail system while also promoting access to Downtown.

Camp Chase Rail Trail/Wilson Road Park - Construction starts September 2014

Creates 3.5 miles of trail directly connecting Downtown to Darby Creek and Ohio to Erie Trail

Now in Design
